Downloading and Copying Instructions

1. Go to the following web site: http://www.dodffcert.com/CerTest_Oct_08_Test_Update.zip
2. Save the zip file to your computer or choose "Open" and extract the files to your computer.
3. If you save the zip file to your computer, unzip the folder and extract the file names below to your computer. CerTest_Oct_08_Update.tst and CerTest_Oct_08_Update.txt
4. The next step is to Start the CerTest Program and Log in as a Manager.
5. Click on the "File" option located in the upper left corner of the screen.
6. From the File menu, select the "Copy From Diskette" option (The 7th Option).
 - a. A "Copy From" screen will appear.
 - b. Make sure the file folder where you extracted the files to is selected in the "Look in" box and that the "Files of Type" box at the bottom is changed to "Test."
 - c. Click on the CerTest_Oct_08_.tst file you saved earlier.
 - d. Now click on the open button to start the update process. When the updates are complete a "copy test(s) into CerTest" screen will appear.
 - e. Highlight all tests available in the menu.
 - f. Click on the copy button.
 - g. Another dialog box will appear labeled "Replace Test?" Click on the "Yes to All" option.
7. After a few minutes, CerTest will respond with a message telling you the number of tests that were successfully copied. Select OK in the Copy Complete information box and you're done.

Reminder: You must complete this task on each computer that has the CerTest program loaded on it unless you are running CerTest on a Network.
